

A Prayer for the Healing of All Creation

Loving God, open our hearts that we might recognize the beauty and intrinsic value of all creation.

Instill in us a great and powerful hope that, though there is much work to be done, there is still time enough to do it.

Give us the courage and the wisdom to approach our fellow beings with care and concern for all, to change corrupt systems, to heal old wounds, and to realize our potential as persons of God, that we might act boldly and compassionately, recognizing that our time is now. Amen.

Our time is now.
