Dear Sir/Madam,

RE: NEED FOR A SCHOOL BUS.

On behalf of Moreau Nursery and Primary School, I humbly request for a fund so that we can keep our children safe on the road. It will help reduce overloading of children on motorcycles and reduce rampant accidents of children coming to school every school term.

The children will be saved from a cloud of dust whenever a vehicle passes them on the road and slippery roads during rainy seasons. The bus will be used to take children for study tour within the country.

When a bus is put in place the enrolment of the school will go up since it will help to pick and drop off children at different trading centres which are far from school.

Your support to this cause is highly appreciated and a prayer will be said daily by the children for this and the hands that support the safety of our little children. Thank you and may God bless you.

Yours sincerely
Sister Jacinta Katusabe, CSC
Head teacher
